June 2010 Newsletter

Hello Fellow Magicians!

Our June 10th meeting will feature “Work in Progress” and/or a “Show and Tell” trick. So bring that trick that you have been working on and take advantage of the expertise of the club membership. The competition will be **Stage** and the results of the total year will be announced with the naming of The Magician of the Year as well as Second and Third place winners.

Last year, **Mike Ciosek** provided us with a special Photo Session. We would like to do a similar Video Session at the June meeting. Your interest and feedback will be required as we will be limited to a maximum of 8 on a first-come first-served basis. **Call or email me for reservations.** Since this is a new experience there will be no charge for session and a copy of your performance.

At the May meeting we had broken wand ceremonies for our two departed members and friends, **Bob Murphy** and **Lionel “Tex” Counts**. Lots of good memories were recalled and expressed about each.

The June Meeting will end my term as President, so I would like to use this opportunity to sincerely thank all for the help for the past two years. I enjoyed the experience and hope all had as much fun as I did.

Al Hitt will be the president starting in September, and he has an exciting calendar of things to come. Just a little peek without taking Al’s thunder, Nathan Crandall is scheduled to lecture in October.

The website is going to get a new look with John Massanova our new recording secretary taking over as web master.

Watch the web site www.dkom.org for more information as more changes unfold.

News You Can Use

by Larry Denburg

The 2010-2011 season is really looking like a great year. Our Agenda is:

September	Lecture: Josua Jay
October	Lecture: Nathan Kranzo
November	Auction
December	Christmas Party

This will be the final newsletter for my term as Corresponding Secretary. Sorry if it's reaching you rather late – I'm already up at the French Woods Festival of the Performing Arts as their Magic Director.

I've mentioned the upcoming Virtual Magic Convention to many of you. Access passes to this event are still available but limited. It's gonna be an AMAZING event! The thirty-three lectures alone are shaping up to be incredible; I highly recommend checking it out.

This website gives you all the details:

I can save you a few bucks on the cost. If you're interested, shoot me an E-mail.

Have a terrific summer, gang!

Your scribe,

-- Larry
